Subject: Interlaken Town - Lead Survey Results

The final service line inventory for **INTERLAKEN TOWN MUNICIPAL WATER SYSTEM** has been classified as non-lead; meaning **no lead, galvanized downstream of lead, or unknown service lines were found.**

The system was determined to be non-lead by performing a detailed review of all available records including but not limited to the following:

- Aerial Imagery/Historical Imagery
- Previous service line material evaluations
- Water system records, construction as-built drawings
- Installation and construction dates
- Assessor records
